

DEDICATED TO MEET YOUR DEICING NEEDS

At The Salt Depot our objective is to provide our customers with new products and services that will assist in maintaining clean and safe properties within our communities.

We continue to explore new and emerging technologies to further enhance road salt management practices. Through research and testing we proudly offer green alternatives for anti-icing and deicing which have proven results for many of our customers.

LET THE SALT DEPOT HELP YOU:

- Maintain the safety of your properties
- Support your operations with time saving services
- Equip your crew and facilities with essential storm fighting tools

We look forward to serving you this winter season.

Sincerely,

President

SERVICES

SUPPLY & SPREAD

To improve service levels.

Our supply and spread services assists snow plow contractors to protect and maintain properties throughout the winter season. Once properties are clear of snow, The Salt Depot team will anti-ice or deice your properties using the recommended product of choice for the specific ground surface.

Bulk Salt / Treated Salt/ Sand & Salt Mix
Liquid Anti-icing / Pre-wetted Salt

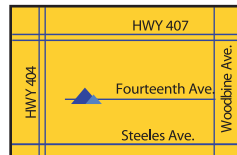

LOADER & HAULAGE

To save time and money.

The Salt Depot offers loader services for snow plow contractors who require assistance in clearing or transporting large volumes of snow from ground surfaces and parking lots.

Our loader and Haulage services are available 24 hours throughout the winter season.
